

*Aflac helps people bounce back*

Our insurance programs provide coverage when you need it the most.

A recent study from Harvard University showed that 64% of all bankruptcies in the U.S. were a result of unpaid medical bills while 77% had major medical insurance

Aflac benefits:

- Aflac pays cash benefits directly to you, to use as you see fit.
- Aflac benefits can help with unexpected expenses such as: Mortgage/rent, groceries, utilities, out of pocket medical expenses like copays or deductibles.
- Aflac insurance policies belong to you—not your company and you can take the plans with you if you ever change jobs.
- Aflac processes claims in one day when filed online.

Term and Universal life insurance also available
