Pasadena After Hours Rotary is a small, dynamic, active group of Rotarians who focus on social service projects, giving back to the Pasadena community. Embodying the Rotary mission of “*Serving to Change Lives,*” over the years the Club has awarded thousands of dollars in grant funds to further the work of local nonprofits. This year the Club is inviting new nonprofits to submit for consideration.

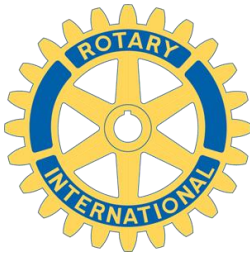

Grants are open to all nonprofit organizations. Dollars are awarded based on mission and community impact. Grants awarded are generally small, but the Club is open to new ideas and of course, new partners. Plus, the Club is always looking for new members!
