

# HELP FOR THE HELPERS:

## Making Sense of Emerging Financing Options for Nonprofits

This free, three day webinar series will help your nonprofit organization explore a host of new financing options including disaster loans, payroll protection, and bridge loans to help determine which is right for you. Geared towards nonprofit organizations, this webinar series is also open to their funders and stakeholders.

MONDAY, APRIL 6<sup>TH</sup> - 10:00AM-11:00AM

### NAVIGATING SBA LENDING IN THE COVID-19 AGE

The Los Angeles Small Business Development Center (SBDC) will educate non-profits on the nuances of the SBA disaster loan programs as well as discuss other resources and technical assistance available to non-profits – all at no cost.

SPEAKER:

**Ted Hiatt**

Director, LA Small Business Development Network

TUESDAY, APRIL 7<sup>TH</sup> - 10:00AM-11:00AM

### BRIDGE FINANCING FOR NON PROFITS DURING COVID-19

Join this webinar to learn more about low-cost capital options for non-profits and service providers that need bridge loans or lines of credit in order to ramp up direct service activities in response to the COVID-19 crisis.

SPEAKER:

**Tunua Thrash-Ntuk**

Executive Director
