HOSPITALITY Signatures Visitors are always welcome. Chilled water and fresh fruit are available for residents and their guests. Family members are invited to dine with their loved one. Associates freely and joyfully attend to the needs of residents and their guests. Associates help visitors understand the services provided in Southwoods Lodge.	Southwoods Lodge peaceful reassuring safe happy loving friendly supportive A <u>premier</u> Memory Care Community at Hillcrest.	LIFE ENRICHMENT Signatures We create daily opportunities for residents to engage in meaningful life enrichment activities. Family members are encouraged to join in. They may volunteer to plan, conduct, or participate in activities. Activity resources are available to family members for spontaneous use during visits. Music is an important part of life enrichment programming. Television is minimally used in structured activities.
RESIDENT CARE Signatures Resident care begins with creating a peaceful environment where each resident feels safe, comfortable, and a sense of belonging. We honor each resident's perception of reality and adjust our communication, tone, and actions to join them in their journey. We encourage independence and provide support according to each resident's needs and abilities. We respond calmly to agitated behavior and seek to identify underlying causes, such as pain, discomfort, over-stimulation, or the need for personal care.		HOME AND DÉCOR Signatures Southwoods Lodge is clean and comfortable. The community is bright with natural sunlight. Outside Patios are clean and inviting. Gardens are beautified with flowers, plants, and trees. Small family garden areas are also available. Our Lending Library offers current memory care resources and information. Delayed egress doors allow residents to walk freely about their home with peace of mind.
DINING Signatures Dining in Southwoods Lodge is a social event. Family members and associates are invited to dine with residents. Each meal is highlighted with freshly cut flowers, colorful linens and dishware, and soft music. Meals are served in courses to simplify the dining experience. Our “Awake and Partake” philosophy allows residents to get up when they want and eat breakfast when they are ready. Snacks and hydration are always available.		ASSOCIATE TRAINING Signatures Southwoods Lodge associates receive advanced dementia care training through the Alzheimer's Association. Southwoods Lodge associates are certified in First Aid. Associates who handle medications receive medication training. Southwoods Lodge associates receive ongoing training in dementia care, dining services, life enrichment, and hospitality. Southwoods Lodge associates receive sensitivity and diversity training to help them communicate supportively with others.
