

Donating to KPCC's Online Auction is an opportunity to align your business with Southern California's largest public radio audience, while supporting a local organization that provides balanced, trustworthy news and NPR programming to communities in LA, OC, Ventura, Santa Barbara, and the Inland Empire.

KPCC's ONLINE AUCTION | MAY 17–28, 2017

Here's how it works:

It's simple. Go to kpsc.org/auction and donate a tax deductible gift certificate for goods or services.

What your business gets in exchange:

A dedicated web page per donation that includes your logo, a link to your website, photos of your products/services, a customized marketing message about your business, links to your social media sites, and your telephone/address.

KPCC promotes our online auctions via on air broadcast spots to our 800,000 weekly listeners, e-blasts to our 65,000 members, and social media posts on our Facebook page and Twitter feed, with over 250,000 combined followers.

Funds raised support balanced, fact-based public service journalism for communities throughout Southern California. Your participation makes KPCC/NPR possible!
