

Merchant Cash Express is a national company serving business just like yours, made up of hard working entrepreneurs that take a lot of pride in what they do. Our business directly offers both merchant processing and immediate working capital.

With our deeply discounted rate structure, we will offer to You, as a Pasadena Chamber of Commerce Member an opportunity to receive a free detailed cost analysis of your current merchant services. If we can't prove that this new special program designed exclusively for Pasadena chamber members will significantly lower your fees to process credit cards, then **we will pay for your next renewal fee with the Chamber of Commerce (up to \$500) on behalf of your business.** What do you have to lose!? Simply email or fax ([800-211-8861](tel:800-211-8861)) your most recent merchant statement and within 24 hours will have the results of how much money you'll be able to save with this new program!"

By allowing us to provide a free cost comparison of your current credit card processing rates **we will provide a VISA Gift card, valued at \$25!** We are confident Merchant Cash Express will provide the Pasadena Chamber of Commerce Member a significant savings.
