Dr. Bill Dorfman (www.billdorfmandds.com) is affectionately known as “America’s Dentist.” He was the featured dentist on the ABC series, “**Extreme Makeover**” and recurring guest co-host on the daytime talk show “**The Doctors.**” He authored two best-selling cosmetic dentistry books, *The Smile Guide* and the **NY Times** bestseller, *Billion Dollar Smile*. As an inventor and brilliant entrepreneur, he has brought award-winning innovations to the world of dentistry with Discus Dental, Inc., the world’s leading manufacturer and distributor of tooth-whitening, oral hygiene and aesthetic dental products.

Dr. Bill Dorfman is The Co-Founder of The Leap Foundation www.LeapFoundation.com and in July, 2017 will host their 10th annual, week-long program held at UCLA for 15 to 24 year olds. The LEAP Foundation helps high school students, college students, and recent graduates get a “7-year LEAP on success.” LEAP’s curriculum is based upon the experience of individuals who have achieved great success – both professionally and personally. It is a non-profit organization committed to educating young adults about goal-setting, effective communication, and the invaluable power of mentorship – all of which are essential in helping today’s youth succeed.
