... Our Story ...

Our grandparents, Doris and Bert, started the first Fink family deli in 1954. They cooked the meats and made the salads them selves, took them to their store front, and served sandwiches until they sold out. Our dad, Steve, worked with them in the family business for nearly 20 years.

In 1995, Steve opened Pasadena Sandwich Company, continuing the Fink family legacy here in Pasadena. We still cook our meats in-house and make our salads fresh daily, just as our family has always done. As a third-generation Fink family deli, it is an honor and privilege to serve all of you in our community.

We are grateful for your patronage over the years,
Jon, Meghan, Nicole, & Kaytee Fink
