Rosemary Children's Services is a 501(c)(3) non-profit organization dedicated to helping abused, abandoned and/or neglected children heal from their past and build the self-esteem and skills needed to move towards bright, healthy and fulfilling futures. It is our mission to be a catalyst for sustained improvement in the lives of those we touch. Since 1920, Rosemary Children's Services has reached thousands of children and their families by providing compassionate and therapeutic support through our Residential Treatment Program, Foster Family and Adoptions Agency, Mental Health Services, Wraparound Services, Field Capable Clinical Services and Relative Home Assessment Services Programs.
