The Buffalo Buffalo Burger

Seasoned ground bison sitting on a bed of shredded carrots and celery topped with a spicy buffalo sauce infused cheddar cheese, grilled red onion and jalapeño medley then smothered in a housemade Frank's Red Hot® buttermilk dressing. \$14.95

Beer pairing advice from the Slater's 50/50 Beer Monger:
Pair this burger with Bear Republic's Racer 5. This west coast IPA's bitter and sweet flavors will enhance and complement the spiciness of the toppings and sauce.
