Unconventional HR Consulting.

Attend *Virtual HR Warrior™* Workshop Thursdays, February 21 – March 28, 2019 9:00am – 11:00am PT

Based on the book *The Way of the HR Warrior*, this virtual workshop provides coaching and an in-depth study of the CHARGE™ model. The CHARGE™ model is based on fundamental qualities for a successful HR professional: Courage, Humility, Accuracy, Resilience, Goal-oriented, Exemplary. Created with the HR professional in mind, regardless of industry or tenure, this workshop is for those willing to examine their own competence and drive their careers and organizations forward.

In this engaging, activity-based, six-week workshop, you will work with other HR practitioners to use the book and its associated assessment to:

1. Convey the value of HR for your company, employees, culture, and HR team.
2. Articulate the CHARGE™ framework and how to use it to strengthen your HR Warrior™ skills.
3. Apply the CHARGE™ framework along with assessments to understand current state of self and organization.
4. Create a personal HR Warrior™ action/development plan.

This workshop is designed for:

1. Ambitious HR professionals who want to maximize their impact on their organization’s culture and bottom line.
2. Individual HR Practitioners
3. Intact HR Teams
4. Functional Departments (i.e. Business Partners, Total Rewards, Learning and Development)
