Danny Memphis

Danny Memphis is an Elvis Presley Impersonator and Elvis Tribute Artist. Danny was born and raised in Memphis, Tn and is regarded as a World Class Elvis natural vocalist, performer and musician. Danny, along with his first band, won first place in Memphis in a contest against dozens of acts at the Overton Park Shell, the same stage that Elvis performed his first professional show and has appeared on radio and national television.

Past performances include 20th Century Fox Studios, The U.S.NAVY, The Grand Duchess of Russia, additional shows Palm Springs Ca Resorts, Hilton Hotels, American Cancer Society Fund Raisers. Sunset Strip, Hollywood, Ca, Edmonton, Alberta Canada and TPC Valencia (Tournament Players Club).

Raised on Elvis since childhood, Danny Memphis truly captures the look, essence, dance moves and natural vocal style in a tasteful, heartfelt, true to the man celebration of the young Elvis and his music from the 50's 60's and 70's eras. Danny has dedicated part of his life to preserving Elvis's legacy in a positive and real way, so if that's what you are looking for, he is the man!
