*Mayor
City of Pasadena*

As Mayor, I am very proud of Pasadena; a city that delivers culture, charm and hospitality in a beautiful, clean, safe and walkable environment. Pasadena enjoys a diverse economy, beautiful neighborhoods, a thriving downtown, and an engaged citizenry. Pasadena is also a caring community with 1,100 non-profit organizations serving their neighbors and dozens of citizen commissions that advise the City Council on issues ranging from land use and development to transportation, youth and senior services.

Pasadena is home to California Institute of Technology, Art Center College of Design, Fuller Theological Seminary, Pasadena City College, and Pacific Oaks College. Pasadena is also the U.S. headquarters for unmanned space research conducted by Carnegie Observatories, the Giant Magellan Telescope, The Planetary Society, the Thirty Meter Telescope and Jet Propulsion Laboratory, among others. medical research is being done at Huntington Medical Research Institutes, the Pasadena Bioscience Collaborative and elsewhere.

I am pleased to join the Pasadena Chamber of Commerce in inviting visitors, residents and workers to take advantage of everything our City offers. Pasadena hosts countless enjoyable activities throughout the year, including the world famous Rose Parade and Rose Bowl Game each New Year, staged by the volunteer Tournament of Roses Association. There is no place quite like Pasadena on New Year's Day.

Our architecture reflects a long history of innovation. Opened in 1913, our gracefully curved Colorado Street Bridge remains an engineering marvel. Our majestic City Hall, opened in 1927, is a fine example of Beaux Arts design and the City Beautiful movement. Our neighborhoods are filled with historic and unique homes designed by Arts and Crafts pioneers Greene and Greene, as well as examples of the work of Frank Lloyd Wright, Paul Williams, Myron Hunt, and others. The work of Thom Mayne, Frank Gehry and other leaders in innovative architecture can be found here, as well as Greene and Greene's masterpiece, The Gamble House.

Pasadena was named "Best Arts Town in the West" by Sunset Magazine. Those who appreciate fine arts will be delighted by Pasadena's semi-annual Art Night, as well as museums and gardens, including the Huntington Library Art Collections and Botanical Gardens, USC Pacific Asia Museum, Norton Simon Museum, Pasadena Museum of California Art, Kidspace Children's Museum, and the Pasadena Museum of History. Live theatre flourishes in Pasadena with the Pasadena Playhouse, A Noise Within, Boston Court, Parson's Nose Theater, and more.

Pasadena offers all kinds of musical experiences, from our Pasadena Symphony and POPS, Muse/IQUE Counter-Conventional Orchestra, and Make Music Pasadena to a summer-long series of free concerts at Levitt Pavilion in Memorial Park. Performing groups from throughout the world can be enjoyed at the Pasadena Civic Auditorium, Caltech's Beckman Auditorium, and Pasadena City College, and the Rose Bowl hosts large scale music concerts, including the new upcoming Arroyo Seco Music & Arts Festival.

Pasadena has five hundred restaurants featuring cuisine from around the world, and most of these culinary treasures can be found within our downtown shopping and entertainment districts, where you will also find hundreds of one-of-a-kind boutiques, national retailers and antique shops. Pasadena has a varied cultural life where sophisticated jazz clubs, comedy, music and dance clubs provide a wealth of exciting entertainment options. Outdoor enthusiasts can visit one of our many parks and recreation facilities, or hike and camp in the San Gabriel Mountains just to the north.

Our economy continues to grow and diversify. Initiatives such as Innovate Pasadena focus entrepreneurs on Pasadena as a place to nurture and grow ideas. The City's Economic Development staff, along with the Pasadena Chamber of Commerce, stands ready to assist with relocation to Pasadena, expansion within the City and advice on how to enhance your business.

Welcome. Enjoy Pasadena.

Pasadena Chamber Board
2016-2017*

Ideal Youth, Unyque

The Pasadena Chamber of Commerce thrives because of the support of our members and our strong partnerships. Our collaborations with the City of Pasadena, elected officials at all levels, local institutions like the Rose Bowl, our business districts and commercial enterprises help ensure the growth of our members and the local economy. We are proud to be an active participant in the civic life of our great city.

The Pasadena Chamber has influence beyond our borders. As a founding member of the Los Angeles County Business Federation (BizFed) we regularly meet with leaders at the county, state and federal levels on issues such as environmental stewardship and climate change, trade, affordable housing, education and taxation. As a founding board member of the Los Angeles Area Chamber of Commerce, the Pasadena Chamber meets regularly to exchange ideas and advocate on behalf of our members with business and governmental leaders from throughout Los Angeles County.

We are very pleased to support the education of our local public high school students. Through a collaboration with the Pasadena Unified School District and their office of College and Careers with grant support through the Pasadena Educational Foundation the Chamber supplements classroom instruction at Blair, Muir and Pasadena High Schools and Rose city Continuation School with workplace experiences. Since 2015, the Chamber has places interns with our member companies, found classroom speakers and job shadow opportunities to support the education of students. This is a very exciting and successful venture for us, and one that will be ongoing.

The Pasadena Chamber of Commerce is a member focused organization that devotes most of our resources to enhancing the prosperity of our members. We utilize the most up-to-date technological resources to serve our members and the public. A highly functional mobile phone application and a dynamic, interactive website provide information about the Chamber and our community. Meaningful online and social media communications help us inform members and the community.

At the Pasadena Chamber, we direct our resources to providing strong support services for our members. We host regular networking events, provide inexpensive or free promotional

and advertising opportunities, organize informational presentations and workshops. Our advocacy on behalf of business has saved our members money and reduced their regulatory load.

We are redoubling our efforts to provide opportunity for our members by engaging large project developers and event promoters to encourage participation by Chamber member companies and employment opportunities for local residents. Again in March, with Jet Propulsion Laboratory and the City of Pasadena, we are hosting a procurement event to introduce small businesses to large potential customers.

Involvement with the Pasadena Chamber is fun. In addition to our networking events, we host an annual gala, Golf Tournament, Cheeseburger Week celebration and Cheeseburger Challenge, Pasadena Restaurant Week and our SIP-tember Celebration of the Cocktail and Taste of Pasadena at the Rose Bowl.

At the Pasadena Chamber of Commerce, we work hard to support our membership and ensure the ongoing vitality of our local economy.

Thank you for supporting our efforts.

The Pasadena Chamber of Commerce and Civic Association is a dynamic professional business support and advocacy organization. In the 21st century, the Chamber's primary purpose remains supporting the prosperity of our members and enhancing the business climate and quality of life in the greater Pasadena, California, area. The Pasadena Chamber of Commerce is an active partner in the prosperity of each of our members.

The Chamber's goals, strategic plan and policies are established by a board of directors composed of 24 directors, four immediate past Chairs of the Board, the president / CEO and ex-officio members representing important contributors to the economy of Pasadena.

With a sharp focus on providing value to members, the Economic and Business Development, Member Services, Workforce Development, Technology and Legislative and Government Affairs Committees facilitate communication with members, provide input to staff and ensure Chamber activities provide the support necessary to promote the prosperity of the membership and a vibrant local economy.

The Pasadena Chamber of Commerce is a strong and effective voice to influence change that will ensure a growing local economy and a positive quality of life for the greater Pasadena area. To do that, the Chamber maintains effective relationships with elected representatives and staff at the local, regional, state and federal level ensuring that the interests of business are represented and the voice of business heard.

Pasadena Chamber History

The Pasadena Chamber of Commerce was formed in 1888 as the Board of Trade. It was conceived to promote a positive business climate in Pasadena.

According to the Pasadena Community Book of 1947, Pasadena's pioneer civic body was, from its very beginning, an influential factor in the commercial, governmental and cultural life of the city. In 1889, we gave support to the campaign for the establishment of a public library. We also brought about the first extensive planting of street trees. In the following year we published the first booklet on the advantages of Pasadena as a home city. In the same year we suggested a municipal water

system. In 1892, we assisted in promoting the movement for the establishment of a hospital. In 1893, we assisted in promoting an electric car line between Pasadena and Los Angeles...

... As the Pasadena Board of Trade in 1895, we proposed the organization of a Tournament of Roses Association when the Valley Hunt Club announced it could no longer undertake to sponsor the annual event...

... In 1902 we supported bonds for a high school building...

... Pasadena Municipal Light Department was first considered at a Board of Trade meeting in 1907. Need of a convention hall was first stressed in 1908...

VISION

The Pasadena Chamber of Commerce will be recognized as an effective resource, working to support the prosperity of our members and enhancing the business climate and quality of life in Pasadena.

- We will achieve this by focusing on increasing value to our members.
- We will help our members develop and maximize their business performance.
- We will represent the best interests of our members by serving as an effective advocate.
- We will help students, displaced workers, seniors and other individuals become contributing members of Pasadena's workforce.
- We will enhance existing services using state-of-the-art technology.

Pasadena's position as the commercial and economic center of the western San Gabriel Valley. The Chamber promoted Pasadena as a corporate headquarters and was an active participant in the recruitment of companies to Pasadena, including engineering, finance, bio-technology, internet and other new technology companies. The Chamber was a staunch supporter of bringing light rail transit to Pasadena in the 1990s, a task that was finally accomplished by the Metro Gold Line Construction Authority in 2003.

In the 21st century, the Chamber of Commerce works to expand

... A committee was named in 1909 to promote construction of the Colorado Street Bridge (When the project appeared over budget, the Board of Trade paid for a redesign that met budgetary constraints and resulted in the graceful curved design...

... In 1919 that the Board of Trade officially adopted the name of Pasadena Chamber of Commerce and Civic Association...

... In 1921 the Chamber gave its enthusiastic endorsement and assistance to the Community Chest plan of raising welfare and charity funds...

... In 1923 we took a prominent part in the campaign for construction of the Civic Center. When delay was encountered in the construction of the Civic Auditorium, as a part of the new center, the Chamber of Commerce persistently championed the Auditorium project...

... In more recent years (the mid 1940s), the Chamber of Commerce has met with one of its greatest successes in promoting construction of the Arroyo Parkway (Pasadena Freeway), a project that received its first impetus many years earlier from two Pasadena Chamber presidents, T.D. Allin and D.M. Linnard.

Throughout the remainder of the 20th century, the Chamber worked to ensure

the economic foundation of Pasadena by helping companies expand, relocate and prosper. As the recent recession impacted our local economy, Chamber advocacy has helped businesses reduce the impact of water rate hikes, health inspection fee increases and convinced the Pasadena City Council not to raise fees and taxes, an effort that means ongoing savings to all Pasadena businesses and residents.

As a representative of greater Pasadena, the Chamber serves as a resource for information, an advocate for business and economic development and a partner in facilitating our members' prosperity.

PASADENA – an IDEAL CLIMATE for BUSINESS

Probably no other city of its size is home to more internationally known businesses than Pasadena. One key reason is the highly educated workforce resulting from the presence of many renowned educational and research institutions. More than 60% of our working age population of 60,000 is employed in professional, managerial, technical, sales and clerical positions. Approximately 10% are employed in manufacturing and other light industrial companies while close to 15% are employed in the service industries. 10% of our workers are engaged in the hospitality industry.

The two largest employers in the area are the California Institute of Technology and the Jet Propulsion Laboratory. Many emerging technology-related businesses trace their roots to these institutions. Newly created office space and research facilities are attracting more technology related companies.

Other top employers include health care and research leaders Huntington Memorial Hospital, Kaiser Permanente and Huntington Medical Research Institute. Engineering and construction firms such as Parsons Corporation, Tetra Tech, Inc. and TTG, as well as financial institutions Community Bank, Western Asset Management and insurance broker Bolton & Company are headquartered here.

Pasadena is known throughout Southern California as a destination for shopping, dining and entertainment. The city offers top retailers, trendy boutiques, exquisite shops, and restaurants to suit every budget and palate. Whether it is Old Pasadena, the Playhouse District, Paseo Colorado or South Lake Avenue in downtown, or the Hastings Ranch-Foothill shopping area in east Pasadena, shops, restaurants, entertainment and more can be found to suit every taste and budget.

Leadership and Innovation

Pasadenan Jackie Robinson was the first African-American player in major league baseball. His brother Mack ran a very close second to Jesse Owens at the Berlin Olympics of 1936. Pasadena is also hometown to America's first culinary celebrity, Julia Child. It is not uncommon to glimpse television, movie and music personalities shopping, dining or just strolling around Pasadena. In the early 20th century, the first Busch Gardens was opened on the family's Pasadena estate. In 1924, teenaged Lionel Sternberger first served a cheeseburger to a customer at The Rite Spot in Pasadena. Culinary innovation continues at restaurants throughout Pasadena.

Chamber member The Ice House, the first comedy club in the country, continues to amuse and entertain. Michael Jackson first performed his "moon walk" on the stage at the Pasadena Civic Auditorium. The first professional go-kart race was held in the Rose Bowl parking lots. Horse racing enthusiasts, or those who enjoy an afternoon of fun, can visit nearly Santa Anita Park, home track to Seabiscuit and other legendary thoroughbreds. The Rose Bowl is also the only venue to host Super Bowls, the World Cup soccer championship, Olympic soccer final, Women's World Cup final and college football national championship game.

Opened in the 1880s as a technical school, California Institute of Technology (Caltech) has been home to 31 Nobel Prize awardees. Albert Einstein made three long-term visits in the 1930s and Stephen Hawking still lectures at Caltech. Art Center College of Design is among the leading schools for fine art, commercial art and design in the nation. Fuller Theological Seminary graduates ministers who work throughout the world and Pacific Oaks College continues to train excellent educators.

Visitor's GUIDE

Visitors can find every sort of accommodation at every price range, as well as restaurants to please every palate and budget, a variety of mu-

seums, entertaining activities and more for the whole family.

In an afternoon, you can enjoy Pasadena's civic architecture during a leisurely stroll through the Pasadena Civic Center to see our **City Hall, Civic Auditorium** and **Library**. A short stroll through the Plaza las Fuentes is **USC/Pacific Asia Museum** where you can enjoy the art and culture of Asia and the Pacific in the unique **Grace Nicholson Chinese Treasure House**.

If you have more time, **Huntington Library, Art Collections and Botanical Gardens** combines a beautiful walk through lush Japanese and Chinese gardens, Australian and native habitats with an outstanding collection of European and American art. Make sure you see Gainsborough's *Blue Boy* and Laurence's *"Pinkie"*, the Gutenberg Bible, a manuscript of *"Chaucer's Canterbury Tales"*, and original letters of some of history's most intriguing people.

A walk through the beautiful **Caltech** campus reveals a gem of gardens, historic and cutting edge architecture. At various times, Caltech has been home to 31 Nobel Prize winners including Linus Pauling, Richard Feynman and Albert Einstein. Caltech also offers a series of free lectures that are open to the public as well as performances in Beckman Auditorium.

Downtown Pasadena offers unique shopping opportunities such as **Therapy, Beyond the Olive, Joie** and the iconic independent bookstore **Vroman's**. You can't find better people-watching opportunities than from the sidewalk cafes in downtown.

Want to take in a movie? **iPic Theater** is a luxury experience where you can see a new release while enjoying food and beverages served in the comfort of a lush reclining seat. You can also reserve a seat at **Arclight Cinemas** for first-class moviegoing.

In the mood for a few laughs? **The Ice House Comedy Club** on Mentor Avenue has hosted Jerry Seinfeld, Jay Leno, Robin Williams and almost every comedy star of the last 50 years.

If it is fall and UCLA is playing at home, you can head for the **Rose Bowl**. For the price of the tickets, you can enjoy college football in the game's most historic venue. If it's not football season, you can still visit the Rose Bowl Stadium and take your picture in front of college football's most iconic stadium and then take the behind the scenes tour.

If theater is your thing, take in a play at **A Noise Within**, Pasadena's award-winning classical repertory theater, new works at the **Boston Court Performing Arts Center** or the **Pasadena Playhouse**. The **Pasadena Symphony** performs at the Ambassador Auditorium while the **Pasadena POPS** plays outdoors in nearby Arcadia and **MUSE/ique** performs at interesting venues throughout Pasadena.

More outdoor oriented? Immerse yourself in natural Pasadena with a hike up Eaton Canyon to the base of the falls. The leisurely walk will take a couple of hours and affords a close-up view of the beauty and power of the San Gabriel Mountains. You can also amble along the Arroyo Seco and experience nature's beauty as you walk under the historic Colorado Street Bridge, view the Vista del Arroyo Hotel (now the 9th Circuit Court of Appeals) and the Rose Bowl, too.

You can catch breakfast at **Brookside Golf Club** then play 18 holes on one of two historic courses in the beautiful Arroyo Seco. If it's racing season, you may want to head out to **Santa Anita Park** for the thoroughbred racing at one of the finest venues in the world. Post time is usually at 12:30pm, but get there a little early to walk around the track and take in the mountain views and see the Seabiscuit statue.

If Southern California and Pasadena history is of interest, you can get insight into the people and institutions of the region at the **Pasadena Museum of History** where you can also tour the beautifully restored **Fenyess Mansion**. Across Orange Grove Boulevard is the famed **Greene and Greene** designed Gamble House. **Pasadena Heritage** organizes walking tours of historic areas of Pasadena, including our downtown.

Got kids? Not to be missed is **Kidspace Children's Museum** with experiential, interactive play areas.

MONTE VISTA GROVE HOMES, a charter member of Aging Services of California, was founded in 1924 by concerned members of the Presbyterian Church with a mission to serve retired ministers and missionaries. The mission has grown to include providing quality skilled nursing and assisted living accommodations for the seniors in the community, regardless of church affiliation. The 13.5 acres consist of walking paths, a koi pond, fountains, and rose, cactus and drought-resistant gardens, along with cottages design by the esteemed architect, Myron Hunt. This beauty, together with an experienced and caring staff, creates a healing and supportive environment.
